

Wishes for baby

We know that your hopes and dreams for your baby's future know absolutely no bounds, but in this fun game you can find out all the wonderful things your guests wish for your little one.

How to play:

- 1 To begin, print out one sheet per guest before they arrive.
- 2 Each person must complete the sentences by filling in the blanks on their sheet. Tell your guests that they can make the answers as funny or as sentimental as they like.
- 3 Once everyone has finished, begin by having everyone read out their answer to the first question. The other guests must then vote which was the best answer, and the person with the most votes per round scores one point. Do the same for all ten questions.
- 4 The person with the highest total at the end wins a prize!
