How to create your pennant banner:

- 1/ Print out one or more of the triangles.
- 2/ Cut out as many pieces of pennants as you require following the dotted lines.
- 3/ In the two top corners of each triangle, pierce a hole using a pencil.
- 4/ Insert a piece of string through the back of one of the pieces, and then back through the other hole from the front.
- 5/ Repeat this for as many pieces of pennant as you want and then cut the piece of string.
- 6/ Attach to your wall using sticky tape or Blu Tack (make sure the one you choose is safe to use on your wall by testing in a 'hidden' area such as behind a radiator).
- 7/ Alternatively you can tie the string to something in your room to avoid sticking things to your walls!
